DELIVERY SCHEDULE GUIDE:
 =====
 ORDER CONFIRMED: ESTIMATED DELIVERY AT WINERY

PRIOR 1st September	Early January
PRIOR 15th September	January
PRIOR 1st October	Early February
PRIOR 15th October	February
PRIOR 1st November	Possibly February must likely March
PRIOR 15th November	March
December	Possibly End of March must likely APRIL

The delivery schedule is a guide to what can be achieved if all aspects of the freight chain work in sync. There are no guarantees with regard to international shipping. We are at the mercy of the shipping lines that often, without notice alter their schedules to suit themselves. However in a 'normal' year these estimates are easily achievable. For your own piece of mind the earlier you order, the earlier we can schedule your delivery and ensure we meet your expectations with regard to delivery times.
